you: Hi andrea

Andrea: Hello.

Andrea: How can I help you?

you: Do you ship anywhere in the USA?

you: or are some places off limits?

Andrea: Yes we ship all over the USA.

you: even Nevada?

DVD's, we can ship pretty much anywhere.

you: Ok, do we pay sales tax if you ship to

Andrea: But boys... anywhere in the US

Andreas: I am not sure... but it would be once you provide a shipping address.

Andrew: Shipping prices as well

you: What areas can not get DVDs?

Andrea: The easiest thing to do is add items to cart, provide a shipping address, and if there are any restrictions, you will be advised.

you: Okay. That sounds good.

Andrea: Actually Nevada doesn't have any DVD restrictions.

Andrea: We have warehouses all over the country, actually. It depends what you order as to where it ships from.

you: You mean all over the United States?

you: But stuff comes from a different warehouse, depending on what we order?

Andrea: yes.

Andrea: Certain warehouses overlap what is carried, but certain others are proprietary to only one warehouse.

Andrea: You will see this on checkout, where it is shipping from.

you: Oh, okay. So if I order two or three things, they may come in different packages, not all in one package, and they may have different return addresses from, possibly, different states....

Andrea: It may. We try and cart consolidate, to save you money if we can.

you: That is nice of you.

Andrea: We like our customers to be happy. :)

you: Is there a phone number I can call if there are any problems with my order?

Andrea: Sure, it's 1-888-773-9869

you: Ok, and if I use my credit card, what will the charge on my credit card statement say?

Andrea: It will bill discreetly as CNV, Inc.

you: Ok, and will that be an out of state charge?

Andrea: We are based out of Los Angeles.
